The Beauty of Johnson C. Smith University's Campus

Smithites

It's good to take a break and relax sometimes. It could be after a class, between classes, after meals, or in the evening.

Relax

Taking a break from a hectic schedule, "chilling out" with some friends can be very relaxing, but there are some of us who don't take time to relax.

Dr. Wilbert Greenfield, President

After ten years of dedicated service here at Johnson C. Smith University, Dr. Greenfield accepted the position as President of Virginia State College. The student body, faculty, administrators, and staff will miss him dearly. As President of Johnson C. Smith University, Dr. Greenfield was instrumental in strengthening relations between the school and the community. He was and is well-liked by everyone. We hope that as he continues in his work at Virginia State, he will be successful. On behalf of the student body, the Yearbook Staff would like to wish Dr. Wilbert Greenfield and his family the very best, and may God bless them as they travel to Virginia.

The 1982-83 edition of "THE BULL" is dedicated to Dr. Wilbert Greenfield and his family.

Dr. Limone C. Collins, Vice-President for Academic Affairs

Dr. Joseph Gaston, Vice-President for Student Affairs

Mr. Ray G. Davis, Vice-President for Development

Mr. Mack Davidson, Vice-President for Financial Affairs

Carowinds

Why are you looking at me?

What's up?

The youngsters trod the path of the unforeseen future. Each step that is taken is in the present going into the future.

Together we stand, divided we fall!

Smithites

We love kids when they are at a young age. We should help them in a positive way. Their minds should be trained at an early age to be ready for the future. We should give them encouragement in all positive aspects.

Come on Suzy, get up so we can go!

We don't want to turn around!

A future leader.

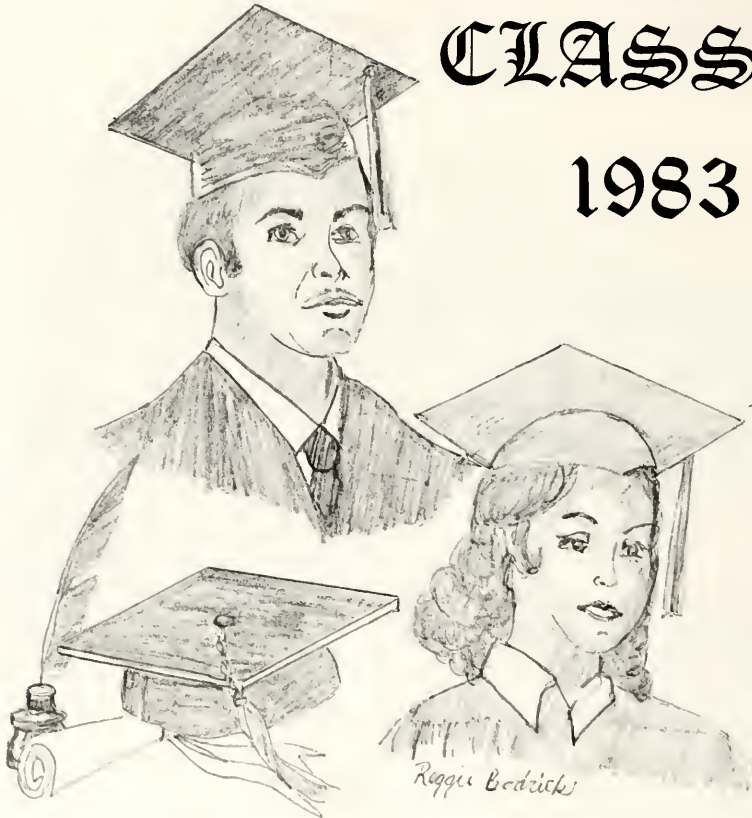

Potential future Smithites? They can be! We must strive to keep our institution going by giving all the support we can muster so these youngsters on these pages can walk down these same sidewalks in the 2000's.

Who's Who Among Students

The 1983 edition of Who's Who Among Students In American Universities and Colleges will carry the names of 13 students from Johnson C. Smith University, who have been selected as being among the country's most outstanding campus leaders. Campus nominating committees and editors of the annual directory have included the names of these students based on their academic achievement, service to the community, leadership in extracurricular activities and future potential. They join an elite group of students selected from more than 1,300 institutions of higher learning in all 50 states, the District of Columbia and several foreign nations. Outstanding students have been honored in the annual directory since it was published in 1934.

"SAVE BLACK COLLEGES", "SAVE BLACK COLLEGES!" This was the chant of the students attending Black College Day 1982. The date for this annual event was October 25, 1982. The location was Raleigh, N. C. The day began with a wet, rainy march from Shaw University down the street to the state capital where more chants were shouted and the program began. Each S. G. A. President and University Queen spoke on behalf of the institution he or she represented. Mr. Terry Bellamy, former J. C. S. U. instructor, was the guest speaker. His speech was on time in relation to the problems we as black students face in keeping our historically black institutions up to par. The rain cut down on the attendance, but those students that attended really enjoyed it and most if not all of them are anticipating next year's Black College Day.

The Bulls vs. The Rams

In Memorial Stadium on Saturday, October 30, 1982, the Mighty Golden Bulls of Johnson C. Smith took on the Winston-Salem State Rams in a close gridiron contest. Both teams played well, but in the end, the MIGHTY BULLS IN THE BLUE AND GOLD emerged victorious with a score of 6-3. This really made Homecoming '82 SUPER! Congratulations are in order for Coach Wylie Harris, the coaching staff, and the team for this important win and an outstanding overall record of 7-3.

Patrice Rushen

Saturday, October 30, 1982 was the date, the Charlotte Civic Center was the place, and PATRICE RUSHEN was the feature attraction. Once the concert started, Patrice began belting out her many soulful hits.

Songs such as "Number One", "Mad About You", "Look Up", "Haven't You Heard", and her big crossover hit, "Forget Me Nots" have established her as one of the most popular and talented performers of contemporary music. Everyone really got into the concert and seemed to enjoy it. Sing on Patrice With Your Bad Self!!

Bobbi Humphrey

Bobbi Humphrey is recognized as one of the most famous flutists and vocalists of today. Her style is unique with a lasting quality not found in many instrumentalists. Her Sunday night performance was very enjoyable and relaxing, and she was well received by the students and Charlotteans.

Appreciation Service For

The Student Government Association held an Appreciation Service for Dr. Wilbert Greenfield, the outgoing president of J.C.S.U. The program consisted of a message by the S.G.A. President, selections from the University Choir, comments from each administrative Vice-President, and presentations from each Class President, the Yearbook Staff, and the S.G.A. Dr. Greenfield, who departed from Smith after ten years, was one of the best presidents in the history of the school. He will be sorely missed.

Thanksgiving Worship Service And Canned Food Drive

The Religious Life Committee sponsored a Thanksgiving service in the University Church in conjunction with a canned food drive sponsored by the Union Program Board. Food was collected from all sources of the University. The canned goods raised fed over 40 families in the Biddleville Five Points Area. This helped make Thanksgiving better for many unfortunate people.

Pretty Legs Contest

The Union Program Board sponsored a Pretty Legs Contest. The purpose was to help out with the canned food drive for needy families during the Thanksgiving season. This contest gave the girls an opportunity to show off their "pretty legs" to the delight of the judges and the audience. The participants in this contest were: seated: Stephanie McLeod, Constance Funderburk, Gwendolyn Spurlock, Lisa White. Standing: Bobette Chasten, Anita McAtee, Ordella Dunn, Dianne Sullivan, Kim Peterson, and Regina Green.

The judges for this event were Mr. Cleveland James, Mr. Mack Dowdy, Mr. Joseph Crosby and Mr. Rance Jackson.

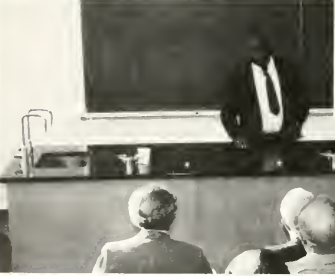

The WINNERS: Stephanie McLeod, 2nd runner-up; Lisa White, Miss Pretty Legs; Gwendolyn Spurlock, 1st runner-up.

Alumni Workshop

On Saturday, January 22, 1983, the Admissions Office, with the help of the members of the Ambassadors Club sponsored an Alumni Workshop to help aid prominent Alumni in recruitment of potential freshmen for the coming years. The workshop consisted of a campus tour, and an Admissions Bowl in which members of the Ambassadors Club participated. The alumni also got a chance to see different organizations in action. They were the Jazz Band, University Choir, Cheerleaders, and the Ambassadors Club. Lunch and dinner were served. Congratulations go out to Miss Jodi Douglas, Mr. Clyde Brown, Mr. Wilbert Sanders, the Admissions Office and the Ambassadors Club for a job well done.

A Touch Of Class

Student Government Association

Fellow students:

I am extremely grateful to have had the privilege to actively serve the Student Government Association over the past four years. I am even more so thankful to have served as president this year. Many thanks are due to those students, faculty, staff, and administrators who helped to achieve the goals of my administration.

Now that I have been humble to the few who supported S.G.A. I feel it is only appropriate that I be frank to the majority that did not. For too long the students at Johnson C. Smith have sat, and passively allowed the University's bureaucratic structure to hinder constructive progress. Blinded by the threat of Administrative structure, the students have been bluffed into believing that the University administrators are omnipotent beings, so endowed by the Board of Trustees that we must humble ourselves to their

delight of complacency. Every year we the students, realizing the signs of obsolete and inappropriate practices of the University, sit back and willingly allow these wrongs to constantly revive. When will we become conscious as well as responsive to the fact that the students are the most powerful body of the University family, when assembled as one united front? We are mindful of the many corporate contributions, federal grants, alumni contributions, and other means of institutional funding. Yet, we should never forget that our investment is significant, and we should neither allow those whose positions are in a service capacity to the institution to forget it either.

Respectfully,
Milton Ray Wiggins
Student Government Association
President

BOARD OF TRUSTEES - Seated: Rodney Hood; Standing: Sylvester Scipio; Not pictured: Jennifer Anthony.

Each year, the student body elects three student members to the Board of Trustees, the governing body of the school and its functions. These three members represent the students and speak on their behalf during the fall and spring meetings of the Board.

Fashion Show By The Zodiac Club

The Union Program Board sponsored a Fashion Show in the auditorium following their Christmas Tree Trimming in the Lobby of the Union. Clothes of many different styles were modeled by young men and women with style, grace, beauty, and charisma. The evening was very entertaining and enjoyable. The models were members of the Zodiac Club.

It has been quite an experience being Miss University Yearbook 1982-83, a lot of hard work I must add, but it was all worth it. We really worked hard as a staff and stuck together as a family. I have never worked with such a group of dedicated people in all of my life. That is why this years' book A TOUCH OF CLASS is going to be the best ever, at least that is my opinion. May next year's queen have all the luck in the world. I wish her much success and to the staff, may your warmth and love shine on.

Like
Violets,
Deltas
must
be indiv-

selected.

You can't
grab a hand-

damaging some
of them. They
can not be
roughly picked or
picked in a hurry.

Like Violets, Deltas are
not the kind of flower
that shows off its
fullest beauty. Standing
alone, but is naturally
gregarious and looks best in
natural clusters.

However, like Violets, the
Delta can stand alone and still
reflect beauty.

At the beginning of the 1905-1906 school year, Negro students were scattered around the various colleges of Cornell University in Ithaca, New York. A group of these students desired to establish a more intimate contact between themselves than their classroom study allowed.

Eight of these young men were registered in the undergraduate schools of the university: Henry Arthur Callis, Charles Eugene Kinckle Jones, George Biddle Kelly, Robert Harold Ogle, and Mr. C.C. Poindexter were registered in the graduate school of Agriculture. These young men decided to form a social studies club of the social and literary nature. They held discussions on literature, music and on a course of study determined by the membership. During the first meeting of the social studies club in the 1906-1907 school year, the idea of a fraternity was brought up. On October 23, 1906 the name Alpha Phi Alpha was brought up by Mr. George Biddle Kelly after it was worked out by Mr. Callis and Mr. Jones. On December 4, 1906, the name Alpha Phi Alpha Society is now known as Alpha Phi Alpha Fraternity Inc. This date is now observed as Founders Day.

This issue marks the 20th Anniversary of Groove Phi Groove Social Fellowship Inc. It was at Morgan State College (now a state university) on October 12, 1962, that fourteen men from various backgrounds found a need to form an organization that focused on the plight and resolutions of adversities facing Black Americans. Here at J.C.S.U., the Bull Chapter, which was founded October 28, 1968, the Brothers of Groove strive to promote academic awareness and good ethical standards, to promote unity and fellowship among college men, to create intelligent and an effective leadership, to study and help alleviate those social and economic problems concerning society in order to improve the status of all mankind.

Upward Bound is a precollege program for the marginal student who exhibits exceptional potential for academic achievement. The primary goal of the program is to focus on skill building and personal growth that will enable students to experience greater success in their postsecondary activities. This program is committed to work with those students who, from all indications, probably will not achieve success unless some nonclassroom assistance is given to them. Students enter the program in the sophomore year of high school and continue through the senior year and the summer immediately after high school graduation.

Being Editor-In-Chief of the 1982-83 "Bull" has been a very challenging experience. I have had to put up with false accusations, endless nights filled with hard work, and there have been days when I have had to enter my classes unprepared with incomplete work. Nonetheless, I made it through it all. I really thank God for letting me experience such challenges as these. I believe these challenges that I have endured will prepare me for the many hardships that I will encounter in the near future.

Each page that I have completed will never be forgotten. They all had a very special meaning. I felt a great joy in preparing these accomplishments helped me to develop a deep sense of dignity and pride. In addition to this, I would like to thank my staff: Tracey, Dina, Regina, Fatima, Velma, Valencia, Debra, Keith, Lana, Janet, Angela, Sabrina, Beulah, Keith, Lonnie, Dexter, Bernard, Wanda, Shelia, Brenda, Reggie, Maury, Steven, Reggie, and Sylvester my right hand. Furthermore, I would like to thank my advisor, Mr. Rogers, who has been a big help with the editing of the artwork. Doctor Gaston and Mrs. Ross who helped me in gaining a better understanding of the business aspect, I thank you. I would also like to thank my work study employer, Miss Alexander. She has been a true friend. She has given me the friendship of a loving mother. I really thank her and everyone else that supported me during this year.

Then there is my photographer, Mr. Johnell Kinsey. I really appreciate all that you have done for me. Without your loyalty, understanding, and promptness, I would not have had a yearbook. I am very thankful for everything, and I know that next year's staff will be more than glad to use you.

Sincerely,
Walter A. McAllister
Editor-In-Chief
